

Arnold Irrigation District (AID)
UPDATED Patron Communication
September 9th, 2026

Attention Patrons,

This is a correction to the communication that was sent out this morning. It was brought to our attention that one of the senior districts will be turning down tomorrow morning, Thursday, September 10th, allowing Arnold Irrigation District to pick up that water starting at midnight. We will begin charging our system with that water to get as many days of operation as possible. We apologize for the short notice.

Again, we will be opening our headgate tomorrow night, Thursday, September 10th at midnight. If you do not want water, please call the office as soon as possible to have your headgate closed. We will have office personnel on duty to take your calls after hours.

If you have any questions please call the office.

Sincerely,

Arnold Irrigation Management
